Don Knipe

Dear Don:

This letter is in response to your verbal request to Joe Giron for non-use.

You requested to take total non-use for the 2003 grazing season because the Erman Well water line had not yet been completed, some of your necessary fence repairs were not all done, and you had not been able to put together the right combination of cows for your allotment.

Don, I am granting your request for total non-use for personal convenience for the 2003 grazing season. If we can be of any further assistance, don't hesitate to call us here at the ranger station (773-4678).

Sincerely,

JANICE S. STEVENSON

District Ranger
